#### 3D Animator and 3D Modeler | Deer Season

June 2023 - May 2024

- Contributed significantly to a 3-minute hybrid short film made through collaboration with 10 main artists and 15 additional artists
- Executed full-body animation and dialogue in assigned shots and proficiently modeled props and buildings for the environment
- Collaborated with team members to plan assignments and deadlines, met my individual deadlines to guarantee collaborators could meet theirs, solve rig problems, ensure shot continuity and timing, and offer critiques to animators

#### 3D Animator and 3D Layout Artist | Market Mischief

Mar 2023 - June 2023

- Played a pivotal role in creating a 2-minute hybrid short film through collaboration with 20 artists
- As 1 of 2 artists on the 3D crew, I maintained constant communication with the 2D crew to ensure seamless integration of 2D animation and design with 3D animation and props
- Assumed responsibility for all aspects of 3D animation, 3D layout, and camera work for shots involving 3D assets

#### 3D Animator, Storyboarder, and Editor | Afterhours

Mar 2022 - June 2022

- 1 minute 3D short film made through collaboration with 10 artists
- Animated and rendered an assigned shot, modeled and textured 3D assets, storyboarded, and edited boards together in an animatic
- Collaborated with other animators to ensure shot continuity and offer critiques
